

GRANT

Writer in Residence Programs
THE GRANT GENIE IS IN

HELP

Monday
February 11th

Writing grants can be confusing and nerve-wracking.

How do you convince funders your organization will benefit from their support?

Is there a secret?

Practice writing some common grant requests with our genie's help. Bring your organization's mission statement, vision statement, and a narrative for an existing or future program, and the Genie will help you grant your own wishes.

5 pm - 6 pm
